

POLICY TYPE: Infrastructure Services

POLICY TITLE: Neutrality Position

Responsible Administrator:	Vice President for Infrastructure Services
Location of Related Procedures:	Office of Vice President for Infrastructure Services Office of Director of Labor Relations and Diversity

Madison Area Technical College will maintain a position of neutrality concerning controversial labor issues. The District will take whatever action is deemed necessary to continue educational programming and protect the safety of staff and students during periods of concerted action. Students participating in clinical programs may not replace striking workers.
