

**POLICY TYPE: Learner Success**

**POLICY TITLE: Classroom Attendance and Visits**

---

Primary Administrators:	Vice President for Learner Success
Location of Related Procedures:	Office of Vice President for Learner Success Office of Executive Dean for Learning Programs

Nonstudents, regardless of age, shall be permitted to visit classes offered by the Madison Area Technical College with the consent of the instructor teaching the class to be visited. Consent and permission will be granted only for the purpose of becoming knowledgeable about a course or contributing to the educational mission of the District.

Any child under the age of sixteen years who is not enrolled shall not be left unattended in college facilities and must have proper supervision by parent or guardian.

This policy does not preclude allowing a child in a class where the child contributes to the instructional process.
