Location of Related Procedures: Office of Vice-President for Learner Success  
Office of Executive Dean for Outreach Learning

Madison Area Technical College is committed to creating a seamless educational environment which makes transition between the K-12 system, the Wisconsin Technical College System (WTCS) and the University system as easy as possible. The Youth Options program is a major component of this educational environment. MATC will comply with all statutory requirements as expressed in s. 118.55 and in the Operational Guidelines published by the WTCS Board on February 2, 1998.

In addition the following institutional policies will regulate the Youth Options program at MATC.

1. MATC will refuse to enroll a high school student under the Youth Options program who has a documented record of disciplinary problems in high school.
2. Youth Options students once enrolled are MATC students. All institutional regulations and procedures will apply to them unless modified by legislation, WTCS Guidelines, or MATC policy.
